WALL RETURN ANGLE

——

12" wall return angle

WINE CUBE

——
Pigeonhole organizer or wine cube

Fabuwood can create a BTR or BTL look with an opening on both sides..
This is created with a WAE1230 and a W1230 combined and added TK.

Fabuwood can create any size pigeonhole wine cubes. It will be created with 3/4" plywood.

Note: Customer must provide drawing.
